HORRIBLE MURDER IN MICHIGAN-A WIFE SHOT BY HER HUSBAND .- On the 15th instant, in the township of Shiawassee, a most atrocious and brutal murder was perpetrated by a man named Kinyon, upon the person of his wife, by shooting her in his own house, from the effect of which she died instantly. They had not lived together for some time past, she being left at the house to provide as best she might for herself and children. At the time of the occurrence we understand, she was busily engaged at the loom weaving. He came into the door, unsuspected by her, and presenting his gun, shot, the ball passing immediately through her body. We understand he had before threatened. Kinyon was immediately arrested, and is now confined in jail in this village. Mrs. Kinyon was said to be a very exemplary woman. Shiawassee Democrat.

Four policemen on the opposite corner, saw the whole row. On the first indication of a fight they pulled their hats down over their eyes, covered up their stars, and slunk down the near-est alley.
